Hello!

We are writing on behalf of Harambee Sports Club, a non-profit 501(c)3 organization that advocates for diversity, equity and cultural humility in youth sports. Based in South Minneapolis and serving the Twin Cities metro, Harambee Sports Club supports youth by providing positive role models, youth-centered sports experiences, and job and leadership opportunities. These experiences allow young people to create connections with each other and their communities.

From June 1 to June 21, 2022, Harambee Sports Club will host an online auction to raise funds for its programming and operations. We would be grateful to your business for a contribution to the auction as a sign of your support of youth and the value of sports-based youth development in our communities.

Harambee Sports Club offers all of its programming on a sliding fee scale and offers many programs that are completely free. Harambee Sports Club currently operates on fees collected and individual donations.

Your donation is instrumental to the future success of Harambee Sports Club and its ability to provide youth with quality, safe and accessible sports programming. Please find enclosed a form to complete with details of your contribution.

Thank you for your consideration!

Sincerely,

Pete Munene
Executive Director
